**United Express Flights to Denver from Rochester International Airport,  
operated by SkyWest Airlines, Launch in October**

**Rochester, MN (August 10, 2020)** –New, nonstop United Express flights, operated by SkyWest Airlines, between Denver International Airport (DEN) and Rochester International Airport (RST) begin on October 1, 2020. The new flights will provide travelers access to United’s global network via the airline’s Denver hub. The Denver hub provides one-stop access to 37 new cities from RST. Tickets are available now at [united.com](http://united.com).

The daily route will be flown onboard a 50-seat CRJ200 aircraft. The flight schedule\* in Rochester begins October 1 and is as follows:

Frequency	Departure Airport	Departing Time	Arrival Airport	Arrival Time
Daily	RST	11:15 a.m.	DEN	12:30 p.m.
Daily	DEN	1:50 p.m.	RST	4:50 p.m.

*\* The schedule may be subject to change*

“We are thrilled United will be offering Denver as a new hub option,” said John Reed, RST’s executive director. “Airlines and airports have measures in place to offer safe travel for those with essential travel needs at this time. This flight will provide critical access for inbound patient travelers now and for our local market as they return to travel when ready.”

“We are looking forward to the start of our new United Express flights in Rochester and know our passengers can fly with confidence thanks to the additional measures being taken on every flight,” said Greg Atkin, SkyWest’s managing director of Market Development. “From enhanced cleaning, mandatory face coverings and customer self-assessments with check-in, we remain committed to the health and safety of all onboard our aircraft.”

Daily United Express flights to Chicago O’Hare will resume on October 1<sup>st</sup> alongside the new Denver flight. All United Express flights in RST will be operated by SkyWest Airlines.
